

Inclement Weather Policy

In the event of any inclement weather, Alexandria Academy of Fine Arts and Science follows the Alexandria City Public School schedule for weather closings and early dismissals.

Emergency Closings and Delayed Openings:

In case of emergency closings due to weather, we will contact parents as early as possible by email, except when internet conditions are interrupted due to weather. When the ACPS system dismisses early, Alexandria Academy will close at noon. When the ACPS system delays school opening, Alexandria Academy will begin its class schedule at 10:00 am. In all cases, please plan for necessary childcare.

Information on weather-related school closings can be obtained through all local news stations, local radio stations, and the ACPS information hotline.
